# BACK TO SCHOOL WELCOME

## GREETINGS!

As President and Vice President of Student Council, we would like to wish you a happy summer and give you a small glimpse of the year ahead. We hope you have had time to relax, spend time with friends and family, and watch the number of emails grow without a care. As summer draws to a close, and we set our gaze to the start of school, we would like to welcome you back for another year, one where we create a welcoming and hardworking environment, where everyone has the opportunity to engage with all the events and activities we have planned. Look forward to an all-school trip at the beginning of the year, a chance for us to meet new faces and reunite with old friends.

In addition to this all-school trip, we are thrilled to bring back our favorite school traditions! Look forward to student-voted spirit weeks, monthly calendars, club bulletin boards, school spirit-filled home games, and of course, our two annual dances. Also, we will continue our much-beloved snack cart, and this year, we would love to hear your suggestions for what you would like to see. And we promise to restock on a regular basis. Let's not forget fundraising! We will come up with fresh and fun new ways to raise money, helping us create unforgettable events and trips. And to sprinkle our school days with some spice, we will have occasional days with treats for all. Though this is only a small peek into our year, you can follow our Instagram and TikTok, [@wsocstudentcouncil](https://www.instagram.com/wsocstudentcouncil), for more updates.

We hope the rest of your summer is filled with adventures, both small and big! We look forward to seeing you in September!

Aaron (President) and Anaya (Vice President)
