SCRIP

SCHOOL CASH REBATE INCENTIVE PROGRAM

SCRIP (School Cash Rebate Incentive Program) is a gift card fundraising program which allows the purchaser to earn money towards their family's annual scrip deposit of \$275, and their child's class fund, through the purchase of gift cards, e-cards and reloadable cards from dozens of vendors for every day expenses like food, gas, clothing, travel and entertainment.

HOW IT WORKS

As a non-profit, WSOC buys gifts cards at a discount from a variety of retailers for everyday expenses and then sells them at full value to WSOC families and friends. The school keeps the difference between the discounted price and the face value of the scrip, generating revenue.

Rebates are generated as a percentage; for example, a \$100 gift card at Mother's Market at 10% generates \$10 toward your SCRIP obligation. The yearly obligation is \$275 in rebates per family (not per child) per year. After the \$275 has been reached, 50% of any excess amount that you accrue in rebates through Scrip will go to your child(ren)'s class account(s); the remaining 50% will go to the school's operating fund.

SCRIP STORE

**You can purchase Scrip in a variety of ways:
In person in the Company of Angels, our school store,
or online at Raiseright.com
which offers physical gift cards, e-cards and
reloadable cards for over 700 retailers.**

Stop by the Company of Angels school store and ask our SCRIP Coordinator, Pam Lusk, to help you set up your SCRIP account with raiseright.com and learn about the app. This way you can purchase and reload gift cards and even print gift certificates at home when the School Store is closed.

If you have any questions, please contact
Scrip Coordinator Pam Lusk at plusk@waldorfschool.com.

The SCRIP Store . . . Turning everyday shopping into classroom dollars!
